FDA Docket No. 98N-1265

Rockville, MD 20857

To Whom It May Concern:

I oppose the Draft Memorandum being proposed by the FDA. In particular, I object to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specific compound pharmacies.

Thank you for your attention to this matter.

Sincerely,

Lynette Brannon
